Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from On the Road to Liberty: Poems and Ballads Socialism means not only the Socialisation of wealth, but of our lives, our hearts - ourselves. The above sentence from the last chapter of Bruce Glasier s book, The Meaning of Socialism, gives the keynote to which his self-appointed and strenuous apostolate of Socialism for forty years and all his aims and activities were attuned in full accord. From first to last he was a dedicated spirit, giving to Socialism, which was to him the cause of all mankind, the utmost devotion and strength of his mind, heart, and body, with a selfless singleness of aim which left all personal considerations out of sight as of no account. For its sake he scorned delights and lived laborious days, immolating on its altar gifts which would have won him distinction in other fields, cheerfully accepting hardship and struggle, and never seeking place or popularity, but striving only and always to serve and to give of his best. And in the five-and-a-half years of his fatal illness he compelled even severe pain and weakness to be subservient to his indomitable resolution to spend every available minute of time, and every particle of his strength, in service of enduring value.
