Nine Dimensions Of Madness (Paperback)

By Robert L. Gallon

North Atlantic Books, U.S., United States, 2015. Paperback. Condition: New. Language: English .

Brand New Book. In a book that reframes the mental health debate, Robert L. Gallon challenges the widely-held notion that mental disorders are medical diseases. Drawing on his extensive experience as a psychologist who has worked with thousands of patients, he argues that there are no objective indicators of mental disorders and therefore no way of drawing a distinct line between people who have them and people who don't. He outlines an alternative to the disease model defined by nine dimensions of dysfunction that encompass the range of human dysfunctions typically classified as mental disorders. He explains the origin of these problems, not as chemical imbalances and genetic abnormalities, but as the complex interaction of biological, psychological and social factors, called the Biopsychosocial model. Gallon explains the history of psychiatry and how it came to develop a medical model that codifies mental disorders in the psychiatric bible, the Diagnostic and Statistical Manual of Mental Disorders (DSM), now in its fifth edition. He demonstrates how, in 1950s and 1960s when the miracle psychiatric drugs came on the market, it was to the great economic advantage of both pharmaceutical companies...
