Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

Having been blind to his past for seventeen years, Jupiter shockingly discovers that he is the future heir to a distant star millions of miles from Earth. With the sudden appearance of a caring stranger and a key, he quickly abandons his life on Earth to travel to his forgotten birthplace, barely escaping the burning grasp of his destructive and jealous brother, Ganymede. Assuming that his new life would be perfect, Jupiter encounters a hail storm of self-doubts, hurtful secrets, and harsh truths only meant to protect his well being. While his hopes slowly wither, his entire world falls in jeopardy as Ganymede looms before him, army in hand, and creating a war to kill all in his path. With shattered confidence and numbing fear, Jupiter chooses to fight, not for his life, but for the fate of the star itself.
