Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Great Read.excellent book and easy to understand.value for money. Ruby D. Amazon Reviewer. Based on a review of Volume 1. Do you like things to be simple? If you do, you will love this book. It is a compelling selection of back to basics, easy to read, argumentative essays, that are mostly free of scary jargon. Is it for you? Yes, if you have a little knowledge of counselling theory or practice and it is ideal for those of you at, a mature age, studying GCSE or A levels. What makes a good counsellor? Take this excerpt from Assignment 1, .a valuable and effective counsellor is, one of high ethical standards, a good listener, has empathy, and holds the client in absolute positive regard. Written from a Humanistic/Integrative, theoretical perspective, it has you the reader in mind throughout the essays. A simple, uncomplicated, refreshing introduction to the fundamentals of counselling that should provide the knowledge and skills necessary for further study. It is also an informative guide to counselling for those of you, who simply wish to have a greater understanding of oneself or others. The assignments include: eating disorders; anxiety; depression; phobias; self harm; sexuality; case studies;session plans and lots more! It was worth all the effort to give you an easy to read collection of argumentative essays that were rewarded with a Distinction. I hope sincerely that they help with your studies and if you are reading for pleasure; have an enjoyable and satisfying read. Francis R Sturt. BSc Hons. Dip.Couns Psych.
