Luckydove Productions, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Just ask the animals, and they will teach you, or the birds in the sky, and they will tell you. JOB 12:7 For centuries, humans have been wanting to talk with animals, especially dolphins. Imagine yourself already possessing these natural abilities. in fact, we re already doing it, though maybe not consciously. Behind Dolphin Talk is our aquatic connection to all of life. The 5 easy steps takes us on a journey of science + stories + soul, possibly challenging the belief system we are carrying about ourselves and our relationships with dolphins, other animals, and Nature. Yet, what if we could understand a nonhuman s feelings and their thoughts? How would you feel? Taking these steps offered in the book is equivalent to walking in another person s shoes, flippers, or paws for a day; even a lifetime. Dolphingirl, aka Dove Joans comes to Dolphin Talk as a life researcher with a background in marine biology, fine arts, animal behavioral work, neurolinguistics, the healing arts, storytelling, and film work. After a dolphin epiphany in 1977, she has been actively researching and devoting...

Reviews

A brand new electronic book with a new standpoint. It is writter in basic phrases rather than confusing. Its been designed in an extremely basic way which is merely right after i finished reading through this publication where basically altered me, change the way i believe.
