Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Blurb, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you love movies then you are sure to appreciate the thought, ingenuity and downright creativity that some film makers have shown when it comes to naming their work. A witty pun, clever play on words, blood curdling situation or terrifyingly scary creature in the title can help to draw you in and build your anticipation prior to viewing. In this book we have selected over 400 of the wackiest, strangest and funniest movie titles that we have come across. Titles such as Microwave Massacre, Attack of the 50 Foot Cheerleader, Redneck Zombies and Santa Claus Conquers the Martians. Amazingly they are all real films. Crazy Title, Crazy Movie provides an indispensable compendium that is sure to entertain and amuse any film buff prone to the curious compulsion of watching the best and worst that cinema has to offer. Spanning decades and genres the book selects a range of titles so bizarre that you wonder how some of them ever got made.
