This year s 2014 small business marketing calendar starts with stats about consumer behavior (like how many people take selfies) and translates trending consumer behavior and tendencies (like what kind of pricing increases sales) into hundreds of low to no-cost, actionable marketing tactics that can help you grow your business.

Reviews

Basically no phrases to spell out. It is actually rally interesting through studying time. You can expect to like just how the article writer create this publication.
 -- **Braden Leannon**

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).
