Getting Started as a Pharmacy Preceptor (Paperback)

By Randell E. Doty

American Pharmacists Association, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Unlike the many materials and workshops that train preceptors in teaching strategies, Getting Started as a Pharmacy Preceptor walks you through the practical and interpersonal aspects of precepting, from deciding if it s the right role for you to handling difficult situations. Tapping his personal experience and lessons learned from two decades directing experiential education programs, author Randell Doty shares his insights as if he were talking with you over a cup of coffee. In addition to chapters on shaping your rotation, making the most of your site s strengths, and providing student feedback, the book presents eight case studies that examine ways to overcome common student problems. Getting Started as a Pharmacy Preceptor helps you set realistic expectations and equips you with the core knowledge to step into a precepting role with confidence. Key Features: * Nine lively chapters to help you launch an effective precepting experience and deal with issues such as low motivation and generational differences. * Eight case studies with tips for dealing with student problems, including language deficits, lack of focus, inappropriate behavior, and academic dishonesty. * An accessible, easy-to-digest..

Reviews

Undoubtedly, this is the best job by any article writer. This really is for all those who statte that there was not a worth reading. I am very easily can get a enjoyment of reading a published pdf.

-- **Rowena Leannon**

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

-- **Kaya Rippin**
