Build relationships with the people you meet. We can go through each day--or a lifetime--as sleepwalkers while awake, tossing and turning on pillows that are as hard as appointment books, wandering a paved spiritual wilderness from bank window to house of worship to hospital bedside. But if we are fortunate enough to happen upon a vision of the Divine--in a chance chat with a semi-stranger or a lingering conversation with a good friend--we can awaken to the spirituality between people that Martin Buber called I-Thou. --from God in Our Relationships It is possible to infuse every moment of life with meaning--from the routine act to the once-in-a-lifetime situation--and this first-of-its-kind introduction to Martin Buber s I-Thou shows you how. Drawing on Jewish tradition, the science of human behavior, Buber s ideas and the Hasidic stories that he loved, Rabbi Dennis Ross illuminates a theology of relationships in easy-to-understand, accessible language. You will clearly see how to use the principles of I-Thou to create new answers to critical issues in life, such as: How do I react to others in times of stress?How do I relate to strangers?How can I take full advantage of the time I have to spend with my loved ones? By unlocking the depths in Buber s concepts for spiritual growth, Ross supplies you with the tools you need to communicate better, love more completely and find the sacred in everyday life.
