Hyperion. Hardcover. Book Condition: New. Hardcover. 224 pages. Dimensions: 8.6in. x 5.9in. x 0.8in. From an acclaimed classicist comes a witty, unusual, and fascinating biography of Homers fictional Bronze Age hero, Odysseus. Everyone knows something about Odysseus: how he defeated the Trojans in a surprise attack with a massive wooden horse, wandered the Mediterranean seas for years trying to get home, confronted the Cyclops, and killed the suitors of his faithful wife Penelope back at his Ithaca palace. Odysseus turns up everywhere: Homers epics The Iliad and The Odyssey, Tennysons poem Ulysses (the Roman name for Odysseus), Constantine Cavafys Ithaca, and more. Even the Coen brothers based a film, O Brother Where Art Thou, on his voyage. But no one has chronicled Odysseus life from start to finish--until now. In this entertaining biography, Charles Beye fills out the story of this extraordinary figure, at the same time portraying Odysseus evolution through the course of a strange and adventuresome life, at times so remote, at times so immediate in the contemporary perspective. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
