Art Models: Life Nudes for Drawing, Painting, and Sculpting

By Maureen Johnson, Douglas Johnson

Live Model Books, United States, 2006. CD-ROM. Book Condition: New. 190 x 132 mm. Language: English . Brand New. An essential guide to creating artistic renderings of the human form. While no book can replace a live model, this photographic guide to the human form provides an array of figures for those who do not have access to live models. The latest in the series, this guide features two new models and an entirely new collection of photographs. Posed in a variety of classical and modern positions, the models appear in a clear, clean environment that is void of distractions and enhances the figure. All of the high-resolution photographs were painstakingly edited and adjusted to yield all the nuances of the figures. The PC- and Mac-compatible companion CD-ROM contains 24 photographs per pose that, in total, comprise a full 360-degree view. Each angle of every pose can be enlarged, enabling artists to zoom in on specific body parts to discover their intricate detail or project the photos to lifelike proportions. The CD also offers the flexibility of numerous viewing options -- on a computer screen, printed out, projected for a group, or via a high-definition television when connected through a...

A very amazing publication with perfect and lucid information. We have read through and that I am certain that I will plan to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
