Paulist Press International,U.S. Paperback. Book Condition: new. BRAND NEW, Saving Women and Infants from Abortion: A Dance in the Rain, Margaret Driscoll, Emily Faugno, Through real-life "conversion" stories, but set against the realistic background of what Pope John Paul II called our contemporary "culture of death," this book offers inspiration, encouragement, and a challenge to those interested in the respect life movement--especially in this outreach organization known as Helpers of God's Precious Infants--to become involved, whether as actual sidewalk counselors or through prayerful support. According to Msgr. James P. Lisante, pastor of St. Thomas the Apostle Church, West Hempstead, NY, as well as a TV commentator and author, "This book tells the story of those who are willing to be the voices of the voiceless, of people of such hope, faith, and love that they are willing to speak up even in the face of what would seem to be the most hopeless situation of all--the moment when a woman is actually about to enter an abortion clinic."
