Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I used to think knowing people just by online handles was totally cool, but these internet murders might be changing my mind. After YouTuber GrazGrim is found dead in his locked bedroom-studio, the police are ready to write it off as a suicide. The online fandom only have one chance for justice: John Hobson and Angelina Choi, internet detectives! But can Angelina persuade Hobson to take the case on? And will anyone like what they find? Blood Will Stream is the fourth book in this darkly comic London crime series. The detectives are back in whodunnit territory, revisiting their love-hate relationship with the internet. Hobson Choi has been #1 in Dark Comedy on Amazon, broken records on Jukepop Serials and now returns with an all-new mystery never seen anywhere else! Praise for Hobson Choi series I love the characters Hobson and Choi, they re a fantastic duo that really make these books! - The Book Moo The writing is funny, touching and above all, relatable. It s got a ring of truth to it that keeps the reader hooked throughout. - Claire Rousseau, still-living YouTuber.
