Reviews

This publication might be well worth a study, and much better than other. It is among the most awesome book i have got study. You may like the way the article writer publish this publication.

(Dr. Paige Bartell)

THE BLUEBONNET CHILD (PAPERBACK)

Wipf Stock Publishers, 2017. Paperback. Condition: New. Language: English . Brand New Book. The Bluebonnet flower grows in very poor soil. One would never guess this truth but the bright, proud bonnets tell no lies. Not even the unkempt soil can keep a Bluebonnet from producing its lovely blossoms. People can be similar to the Bluebonnet flower. They are born into poor soil and have to live with the challenges presented to them. Kids from neglectful or abusive families are Bluebonnet children. We are trained in children s and family ministry that the parent is the primary faith nurturer. But what happens to a child who does not have a healthy parent to nourish them? Whether you serve in a school, nonprofit program, or the local church, this book will equip you with helpful tools and inspire you with hope-filled stories. While the tale of the Bluebonnet child is heavy, in Christ there is hope. He is counting on you to shower them with the healing waters of His grace as they bloom through life. Anyone who has worked with children (or youth) will recognize exactly what Meggie Calvin means when she speaks of bluebonnet children, who like the bluebonnet can thrive in the poorest of conditions. But how do we influence children to become a bluebonnet? Through sharing personal experiences, quality research, and practical support, she proclaims hope in an otherwise overwhelming task. I heartily recommend it for pastors, teachers, youth, and children s workers. --Ashlee Alley, Clergy Recruitment and Development Coordinator, Great Plains United Methodist Conference Ministering to children who come from hurt places is not easy or often intuitive, but it is essential. In The Bluebonnet Child, Meggie Calvin faithfully walks through Scripture to reveal how to best embrace and serve children from hurt places.
