

Red: A Natural History of the Redhead (Paperback)

Filesize: 6.05 MB

Reviews

The book is fantastic and great. This is for anyone who statte there was not a worthy of reading. I found out this publication from my i and dad advised this pdf to learn.

(Pete Paucek DVM)

RED: A NATURAL HISTORY OF THE REDHEAD (PAPERBACK)

Allen Unwin, Australia, 2016. Paperback. Condition: New. Main. Language: English . Brand New Book. A New York Times bestseller, Red is the first book to explore the history of red hair and red-headedness throughout the world. With an obsessive fascination that is as contagious as it is compelling, Jacky Colliss Harvey explores red hair in the ancient world, the prejudice manifested against redheads across medieval Europe, and red hair during the Renaissance as both an indicator of Jewishness and the height of fashion in Protestant England, thanks to Elizabeth I. Colliss Harvey also examines depictions of red hair in art and literature, looks at modern medicine and the genetic decoding of redheads, and considers red hair in contemporary culture, from advertising to gingerism and bullying. More than just a book for redheads, Red is a fascinating social and cultural celebration of a rich and mysterious genetic quirk.
