

Night War: The Dark Side of Dayton (Paperback)

By Kit Bradley, Ashlan Swain, Douglas Miller

Sword Lion Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dayton has sleeping secrets-and some of them are waking up. A city of almost a million people, Dayton invented flight but never received the fame and glory to go along with it. For the creatures who live in the shadows, it's worth a lot of trouble -- and a lot of blood -- to keep things that way. From the military secrets of Hangar 18 to the dusty halls of restless ghosts, from rusting factories to rolling hills, the city landscape remembers its stories. Whether it's government black ops, demon-possessed artifacts, or werewolf packs playing roller derby for keeps, the Hidden World churns with a struggle for supremacy. This anthology brings together eleven stories by Ohio authors exploring different visions of Dayton's supernatural side. Taking the viewpoint of humans in one chapter and monsters in the next, the collection turns the familiar strange and the Midwest into a crossroads of hidden paths.
