

The Making of Tubby Dash (Paperback)

By Charles Carson

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Making of Tubby Dash is about how after many years of construction in the home workshop, one man realised that he and miniature steam locomotives just did not get on. This book is the story of building a replacement locomotive and a railway to run it on. The present volume is a sequel to One Man s Garden Railways. It details suggested techniques and materials for building your own battery-electric steam-outline locomotive in 7 1/4 gauge and tells of the undreamt change of fortune for an extinct garden railway.
