Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.

Createspace, United States, 2010. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is easy to read. Step by step guiding you through a method of working with self improvement or Ascension, back home. The book works with a series of transformative cosmic images that when viewed while working with the contemplation allows you to make deeper changes than most traditional therapies that focus on specific problems rather than helping you approach your higher self and rise above your past problems. These pictures are familiar! - They are depictions of vibrations we all have within, Archetypes, structures of order, of Dharma. Today, it is more than ever important that we find ways of re-establishing the standards of dharma, righteous living, in our lives. The practise of dharma has deteriorated, because many no longer trust in the sources which traditionally represented the paths of dharma. Everything that exists follows cosmic law and order, dharma. Dharma governs all of existence; a molecule exists because it is held together by exact electrical laws, a healthy society is held together because certain laws are obeyed. and so on. But we humans have reached a point where we have been imposing our own will and mental strength so extensively on nature, that we through the law of resonance re causing disorder and breakdown on all levels. At the same time, there is a new vibrational level of consciousness, so high, that the cosmic brotherhood, which the picture with the zodiac and the cosmic beings surrounding earth also represents, will again become conscious for mankind. The good news is that the shift has already happened; but it will be recognised only gradually. It will look as if the change is happening slowly. The twenty symbols...
