# Criminology: An Interdisciplinary Approach

By Professor Anthony Walsh, Dr. Lee Ellis

SAGE Publications Inc, United States, 2007. Paperback. Book Condition: New. 229 x 185 mm. Language: English . Brand New Book. This unique text offers an interdisciplinary perspective on crime and criminality by integrating the latest theories, concepts, and research from sociology, psychology, and biology. Offering a more complete look at the world of criminology than any other existing text, authors Anthony Walsh and Lee Ellis first present criminological theory and concepts in their traditional form and then show how integrating theory and concepts from the more basic sciences can complement, expand, strengthen, and add coherence to them. Key Features: Offers students the opportunity to learn from the ocutting edgeso of criminology: This innovative, interdisciplinary approach introduces students to the ofutureo of criminology by offering new and exciting insights. The book also includes strong sections on crime policy and prevention that illustrate the practical benefits of understanding theory and how theories guide policy-makers seeking to prevent and control crime. Focuses on topics fascinating to students: Chapters on typologies such as violent crime, serial killers, terrorism, drug and alcohol addiction, psychopaths, organized crime, and white collar crime engage students while showing how the theories presented earlier can be applied. Presents material in...

Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
-- Matilda Hoeger V

Absolutely one of the best pdf I actually have possibly read. Better then never, though i am quite late in start reading this one. I realized this book from my dad and i encouraged this ebook to discover.
