EROTIC VERSES III: COUPLES THERAPY

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Webster defines passion as a strong feeling of enthusiasm or excitement for something or about doing something, a strong feeling (such as anger) that causes you to act in a dangerous way, or a strong sexual or romantic feeling for someone and intimacy as the state of being intimate (familiarity) or something of a personal or private nature. In the context of a relationship, these are the very feelings that drive our attraction and desire to our mates. It could be anything from the way their lips move when they talk, the feeling we get when we hear their voices, or the special scent that only they possess. Yes, they were created to bring us into the sacred bedroom chamber, but they should not be reserved for the bedroom chamber. For couples who appreciate sex as both an art and a pleasure, Erotic Verses III: Couples Therapy will elevate your erotic experience to levels never before imagined. It will bring imagination, innovation, and fun...
