A young psychiatric patient, known as Lili, is having a profound effect on both fellow inmates and medical staff alike. As she begins to unravel the truth of her hospital admittance, she persuades her sceptical psychiatrist, Katherine Kolinsky, to begin a search for Truth in her own self. Thousands of miles away in eastern Canada a young fisherman, Averi, is about to be capsized, both in the sea and in the heart. At first troubled and resistant, Averi surrenders at last to the inner journey, coming to see through the loving guidance of his friend and confidante, Nyx, the Reality of his own existence. As Truth unfolds and falsity is wiped clean, so it becomes clear that Averi and Lili are not separate, that the former lives in the mind of the latter, an alter ego and a signpost to Self-recognition. It shall take the delicate unpicking of a densely woven tapestry to cut through the layers of psychosis and delusion. Only then shall Katherine the psychiatrist be convinced that madness is not all as it seems. This item ships from multiple locations. Your book may arrive from...

Just no phrases to describe. It typically does not price an excessive amount of. It is extremely difficult to leave it before concluding, once you begin to read the book.
