iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I knew Miss Meads filled her stories with half-truths twisted to entice the listener. But another part of me wanted to believe the stories because that would mean there was some other person out there who was a bigger misfit than I was. I needed Karen Anderson to be horrible. It is 1974 in Tiny Town, Kansas, and twelve-year-old Katie is fed up with being an outcast. Overweight and unattractive, she has been nicknamed Queen Kong by her classmates. As summer begins, Katie starts a journey of self-discovery and befriends the town hermit, Karen Anderson. Through her father s ministry and her mother s wisdom, Katie comes to respect the individuality of others and herself. But Katie soon finds herself involved in events surrounding the mysterious death of the town s pretty boy, Pebble Hudson. Pebble s burial splits Tiny Town and leads to an epic event that will change the town-and Katie-forever. Filled with colorful characters and the heartwarming details of everyday life, Tiny Town: Summer s Song takes you back to a simpler time and shares the coming-of-age story of one courageous little girl.
