She was born a natural beauty with bright and curly blonde hair and icy blue eyes. Her pale and freezing skin seemed to be coated with soft ice and snow but that was just an illusion to the normal eyes. She was born in the most powerful blizzard of time. They decided to name her Ermine after the frost and snow. Yet, when she was born she was a cold baby. The baby could make blizzards that would make people cry for help. She could make people cry for mercy when she trapped them in her ice cells. People would run away from her in a blur of fear and worry. Ermine definitely used her powers the wrong way and terrorized the people of Jasmine Town. Then, one day all stops as she meets Tannon Evergreen.
