Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Collection of 55 Short Stories with something for everyone. Grady Harp (Amazon Hall of Fame and Top 100 Reviewer) says in his 5-Star Review, a richly detailed series of engrossing short stories and flash fiction each of varying length, some referencing history, some commenting on philosophy, some just simply humorous. Every entry is polished and once again displays the fine talent of Dan Groat. Highly recommended - to all writers (!) as well as of course to readers who love fine stories. Stories about coming of age, the Civil War, a return to youth, urban youth, unique families, tragedy, triumph, teaching, infidelity, abortion, wood carving and wisdom, war, work, lawyers, life paths, addiction, abduction, mental illness, mediocrity, miracles, God, dogs, funerals, birth, college, bank robbery, baseball and football, poker and pool, prison, ancestry, family secrets, homelessness, suicide, neighbors, childhood wishes, eternal life, spelling bees, floods, good and evil, love and romance, second chances, anger and fear, rebirth, parenthood, brothers, reunions, soul and spirit, gun rights, prejudice, old age and new age, victory and defeat, life and death. The shortest story can be read in one minute, the longest in ten minutes. Just enough time to laugh, cry, think, dream, remember, forget, learn fresh ideas, challenge old concepts, meet new people, recall former friends, find knowledge or wisdom or peace, escape and be entertained. Go ahead, put on someone else s shoes, walk in their footprints, see the world through their eyes, guess hidden motives, stumble into surprise endings, expand your imagination. Experience their anxiety, serenity, desire, joy, sorrow, danger, or freedom. Be selfish. Take a few moments just for you. Disconnect, drop out, change your mood, vary your day...
