TEACH YOURSELF A FOREIGN LANGUAGE: METHODS FOR ACCELERATING LANGUAGE LEARNING

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.With the advent of technologies, language learning programs have evolved over the last 20 years. Never before has it been so easy to learn a language outside of a classroom. Language learners have at their disposal a variety of language learning tools, both free and paid. But which of these methods really helps you to learn a language? What s the best way to learn a language with the least amount of time, effort and investment? If you are interested in learning a new language, but you feel overwhelmed by all the options and the process, then Teach Yourself A Foreign Language - Methods For Accelerating Language Learning is for you. I spent years teaching myself Spanish, on a budget and on my own. Along the way, I learned which methods were the most helpful, and which were a waste of my time. When I realized that these methods are applicable to any language, I decided to write this book. Teach Yourself A Foreign Language will walk you through the steps of language learning, from beginner to advanced level, and provide you with the tools and resources so you can learn a language as quickly and efficiently as possible. Although those who just want to learn some basic vocabulary words may benefit from this information, it is essentially designed for those who are interested in achieving a higher level of fluency in their target language. Some of the topics covered: --Study abroad and immersion programs --Study management tips --Individualizing your learning --Useful tips for beginners --Resources for intermediate and advanced level students --Tips for staying motivated --How to understand native speakers --What are the best uses of Rosetta...
