Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What if you could bring back a human being from the dead? What if you could restore the body, memories, id, ego, superego, and just perhaps the soul? Would you do it? How would you do it? More importantly, why would you want to do it? Why would anyone be prepared to spend one-thousand days completely and utterly alone, millions of miles from the Earth? Love, money, or revenge? Some say there is an alien battleship, hiding in deep stealth mode, far out in the black isolation of the asteroid belt. What if you knew that wasn't quite true? This is the story of the exploration of the solar system and the flawed people who were prepared to throw themselves into the void.
