

## Tales of Two Cities: Paris, London and the Birth of the Modern City

Filesize: 9.14 MB

### **Reviews**

*This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.*

## TALES OF TWO CITIES: PARIS, LONDON AND THE BIRTH OF THE MODERN CITY

Atlantic Books. Paperback. Book Condition: new. BRAND NEW, Tales of Two Cities: Paris, London and the Birth of the Modern City, Jonathan Conlin, "Paris and London have long held a mutual fascination, and never more so than in the eighteenth and nineteenth centuries, when they both vied to be the world's greatest city. Each city has been the focus of many books, yet here Jonathan Conlin uncovers the intriguing relationship between them for the first time. It is a history of surprises: Sherlock Holmes was actually French, the can-can was English and the first restaurant served English food in Paris. Tales of Two Cities examines and compares six urban spaces - the street, the cemetery, the apartment, the restaurant, the music hall and the nocturnal underworld. The citizens of Paris and London were the first to create these landmarks of the modern cityscape. By borrowing, imitating and learning from each other they invented the modern metropolis and so defined urban living for us all."
