Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.On the run and hunting for trouble. Hannah Price and Daniel Montgomery, two teens living in a Brooklyn group home, just learned they were actually reincarnated Knights of the Round Table, tasked by illusionist Dante Grimm to locate the fabled Horn of Bran Galed, one of twelve mystic artifacts that, together, can save the world. Accepting the challenge, Hannah's reckless bravery and Daniel's sight guide them across Brooklyn, from jazz clubs to underground subway communities, always looking over their shoulder and worrying who might be after them next. Overshadowing them is the Moderator, leader of the White Mountain Worshippers, a new organization that preaches borderless unity. He, too, wants the Horn. His connection to the knights and Grimm threatens to upend their quest. With the odds stacked against them, Hannah and Daniel have only their newfound friendship to trust. But, will that be enough to let them find the Horn before the forces against them triumph? And what happens should they fail? Arthurian myth meets urban fantasy in this new series from Rowan Casey!.
