THE SUCCUBUS GIFT: AN URBAN FANTASY / PARANORMAL ROMANCE (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Book 1 of the Telepathic Clans Saga. The transition between teenager to university to graduation is difficult and confusing for everyone. As an orphan and a prodigy who entered college at sixteen, harboring secrets she dares not reveal, Brenna Morgan's journey is more complicated than most. Then one evening she stumbles across a young man who promises to answer all her questions if she'll trust him. The history of the Clans, called the Sidhe by the Irish, stretches back to antiquity. The Goddess blesses Her people with 25 Telepathic Gifts. In addition to Telepathy, the Gifts include command over Air and Fire, Telekinesis and Teleportation. In over 2,500 years, She has never bestowed more than 15 Gifts on a single person. Brenna's life isn't the same after she discovers her unusual and mysterious heritage. In addition to being a telepath, Brenna learns she has the Succubus Gift. That's just the beginning of her problems. Someone is stalking her. Then there's the tall, dangerous woman who shadows her and hints a Goddess has linked them. And what is she going to do with a handsome, charismatic, womanizing man she knows she should avoid? Some days a girl just wants to pull the covers over her head and stay in bed -- with a willing young man of course. Urban Fantasy with a dash of romance. The Succubus Gift is a completely different take on the succubus myth. Beautiful women and hot men in a world with a hidden telepathic subculture.
