Reviews

It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

Little, Brown Book Group, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. The author of Hard Time and Give It All is back with a new series centred on a daring married couple set to explore their fantasies and those of the stranger they've invited to play. When he's working, Mike Heyer is all business - every inch the alpha male, with the hard, capable body to back up his persona. But at home he can be a different man entirely, harboring appetites only his wife gets to glimpse. When Samira first learned of her husband's fantasies, she was reluctant, even alarmed. But after witnessing the way they set him on fire, she yielded, and happily indulged. As their games have intensified, so has the rush. And now so has the risk - they're poised to take Mike's indecent desires to the next level, by opening their bed to a sexy, brazen stranger. A man seeming custom-made to grant every last one of Mike and Samira's sinful wishes. Welcoming someone new into their lives was always a dangerous proposition, but the couple imagined if anything was at stake, it was their privacy, not their hearts. Wicked hot - Jaci Burton Sweet, smoking hot, standout - Beth Kery Gritty and compelling. McKenna is a master at capturing realistic situations and characters - Maya Banks.
