

The Viruses and Microbes Within Our Bodies: Why We Need Them and How They Control Our Lives (Paperback)

By James B Hudson

Outskirts Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We live in an age of paranoia, bombarded daily by the media about the dangers of infectious microbes and viruses that threaten our very existence. The pharmaceutical and biotech industries insist that we are in a continuous state of war with our microbes and we have to protect ourselves with their elaborate weapons of microbial destruction. But do we really need them? Each of our bodies is teeming with trillions of microbes and viruses. Many of them are normal lifetime residents that do us no harm. In fact, some of them are essential to our health. Microbes and viruses were on the planet long before humans appeared, and we must learn to live in harmony with them. Recent research, with the aid of sophisticated gene sequencing technology and improved methods of laboratory cultivation, has revealed that each of our bodies is teeming with trillions of microbes and viruses. Many of them are normal lifetime residents that do us no harm, and in fact some of them are essential to our normal health. They provide us with essential nutrients and other benefits. In addition the...
