My Address Book: Creative Mobile Phone, 6 X 9, 111 Pages (Paperback)

By My Address Book

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Modernized address book with a cool cover, same boring inside. Address books are those things you stuff into the junk drawer and seldom look at especially with what smartphones can do today. But some of us still like the old school way of writing out everyone's pertinent information like address, email, birthday etc. The Good The battery in this book (not that there is one) will never go dead. You have the space to write your real friend's information, not like social media where it is everyone you don't want to contact you. It is 6 x 9 so you can actually read what you write especially if you write like me. Tiny lines equals tiny writing which leads to a lot of wrong numbers called to some embarrassing places! Inside you have plenty of room to write down everything you need to remember about that person. And if you decide they aren't your friend anymore you can just white them out. Not as easy as deleting them but still effective none the less. The...
