FBC LTD, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from John L. Stoddard s Lectures, Vol. 10 of 10 As the day wore on, and we were drawn from one scene of desolation to another, I almost doubted, like Bunyan s Pilgrim, whether we Should ever reach the promised land alive; but, finally, through a last upheaval of defiant hills which were, if possible, more desolate and weird than any we had seen, we gained the boundary of California and gazed upon the Colorado River. It is a stream whose history thrilled me as I remem bered how in its long and tortuous course of more than a thou sand miles to this point it had laboriously cut its way through countless desert canons, and I felt glad to see it here at last.
