Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It's been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

Hard Pressed. Paperback. Condition: New. 338 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Best Served Icy. Evil lurks within our borders. Americans, notorious, corrupt, some say evil, who did bad things to our country, and got away with it, are being hunted down and murdered. President Tommy Burk, and his best friend and partner, FBI Director Raymond Riley, know the truth, know who is behind the murders and why, but are not ready or willing to disclose it to the American people. When Islamic terrorists and their Russian sponsors take it up a notch, and capture a famous celebrity and threaten the U. S. with their most evil of acts, America is forced into the gutter to fight them on their level. America, the Great Satan, shocks and puts the Fear of God into Allah and Islamic terrorists. When the President of the United States is faced with no alternative but to, Cry Havoc! And let slip the dogs of war, there will be no turning back. Enter Israel Colburn, aka Icy, a South Boston Irish Jew. Six feet tall, wavy jet black hair and amazing turquoise eyes. Colburn is strong, smart, and honorable. He can even be charming when he works at it, but when he becomes Icy, his warrior past is awakened, and he becomes a predator, an alpha predator, a super predator. He resides at the top of the food chain upon which no other creatures prey. For Icy and his German Shepherd Natasha, there's no right and no wrong. Only his absolute obsession with getting what he wants. May God help us all. But for two determined reporters and one writer, America, and the world would never learn the truth. An exciting page-turning Political Thriller about revenge, just desserts, those who serve it, and those who are...
