REAP, SOW, GROW: I REAP WHAT I SOW AND GROW IN THE PROCESS.

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.New to traveling distant lands, Deva writes about his journey around the globe. As a conscious lyricist, yoga teacher and permaculture designer, he explores his outer limits while expanding his inner world. Deva ventures out to perform at festivals, host yoga retreats, teach permaculture workshops, and visit ecovillages. What he discovers will enlighten that discovery in you. Peek inside the mind of a young, vivacious spiritual warrior. He shares his bold truth and envisions a new earth. The journey begins in Japan and expands through five continents: Asia, Australia, Europe, and the Americas. Experience the passion, pain, pleasure and poetry of Deva Presence inscribed and in song. Excerpt from the intro: New Age books about setting intentions and putting them into action, revealed themselves as sources of inspiration. The inspiration guided me to facilitate book circles, become a yoga teacher, and move to an urban farm in Miami to teach others and myself permaculture. I began to break away from the warm south, and wanderlust to different parts of the Americas - in search of communities, land, and love. The intention was to sow the seeds for my highest creation: to build a greater community where we could reap the rewards of living in abundance with like-minded human beings. It is a vision where all participants would be channeling their efforts toward the same goal: living in harmony. What I found were thousands of seeds, sprouting all around this western hemisphere, already working towards that vision. They were growing to help reconnect our fallen forest of humanity. Most of my travel was beautifully blessed with hook-ups on rides, food, staying in people s homes and developing divine connections....
