NATIONAL TRUST, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. This timber-framed medieval manor has been lived in Royalists and entrepreneurial refugees. It has been the site of a pub and grocery shops and ten `blind-back houses known as George s Yard. But despite its long and varied history, Greyfriars almost didn t make it to today. In the mid-20th century, many of Worcester s historical buildings were demolished. If it wasn t for a determined group of locals, Greyfriars and the surrounding Friar Street shops may have been among them. Instead, thanks to that group, this 600-year-old manor survives to offer an insight into Worcester s medieval past. But most of all, it paints a picture of the two siblings who saved, conserved and lived here, Elsie and Matley Moore. Remaining as they left it, Greyfriars is, above all, a welcoming family home and peaceful retreat from the hubbub of the city.
