Hogarth Press, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Amazon Best Book / Literature + Fiction Barnes Noble Discover Pick Huffington Post Great New Books for Summer 2017 Vulture s 10 Summer Reads Kirkus s 11 Thrillers for Summer 2017 New York Magazine s Things to Do June 2017 A stunning star-crossed love story set against the glitz and grit of 1980s New York City When Elise Perez meets Jamey Hyde on a desolate winter afternoon, fate implodes, and neither of their lives will ever be the same. Although they are next-door neighbors in New Haven, they come from different worlds. Elise grew up in a housing project without a father and didn t graduate from high school; Jamey is a junior at Yale, heir to a private investment bank fortune and beholden to high family expectations. Nevertheless, the attraction is instant, and what starts out as sexual obsession turns into something greater, stranger, and impossible to ignore. The couple moves to Manhattan in search of a new life, and White Fur follows them as they wander through Newport mansions and East Village dives, WASP-establishment yacht clubs and the grimy streets below Canal Street, fighting the forces determined to keep them apart. White Fur combines the electricity of Less Than Zero with the timeless intensity of Romeo and Juliet in this searing, gorgeously written novel that perfectly captures the ferocity of young love.
