

The Principles of Physiology (Classic Reprint) (Paperback)

By John Gray McKendrick

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Principles of Physiology This is in no sense a d104 Book. It is rather an attempt to state the leading principles and facts of physiology, and more especially of human physiology, in such a way as will be understood by an intelligent reader who has had no special scientific training. If the perusal of this little book leads the reader to wish to know more of this fascinating science, which, in a sense, is the meeting-point of many sciences, he is referred to the Bibliography, and the aim of the writer will be accomplished.
