NUMERO ZERO (HARDBACK)

HOUGHTON MIFFLIN, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. From the best-selling author of The Name of the Rose and The Prague Cemetery, a novel about the murky world of media politics, conspiracy, and murder A newspaper committed to blackmail and mud slinging, rather than reporting the news. A paranoid editor, walking through the streets of Milan, reconstructing fifty years of history against the backdrop of a plot involving the cadaver of Mussolini s double. The murder of Pope John Paul I, the CIA, red terrorists handled by secret services, twenty years of bloodshed, and events that seem outlandish until the BBC proves them true. A fragile love story between two born losers, a failed ghost writer, and a vulnerable girl, who specializes in celebrity gossip yet cries over the second movement of Beethoven s Seventh. And then a dead body that suddenly appears in a back alley in Milan. Set in 1992 and foreshadowing the mysteries and follies of the following twenty years, Numero Zero is a scintillating take on our times from the best-selling author of The Name of the Rose and Foucault s Pendulum.
