### Reviews

*This book is great. I could possibly comprehend everything using this published e book. I am easily could possibly get a enjoyment of reading a published pdf.*

**(Deanna Rath I)**

## OUT OF THE BOX - ABALOS AND HERREROS: SELECTED BY OFFICE KERSTEN GEERS DAVID VAN SEVEREN, JUAN JOSE CASTELLON, AND SO - IL

Park Books. Paperback. Condition: new. BRAND NEW, Out of the Box - Abalos and Herreros: Selected by Office Kersten Geers David Van Severen, Juan Jose Castellon, and So - IL, Kersten Geers, David van Severen, Juan Jose Castellon, SO-IL, Inaki Abalos and Juan Herreros established their studio in Madrid in 1984 and working together until 2006, when the firm was dissolved. They mainly realised projects in Spain. Both architects are still active internationally, Inaki Abalos with Abalos+Sentkiewicz, based in Madrid and Cambridge (MA), Juan Herreros with Estudio Herreros in Madrid. The archive of Abalos & Herreros was donated to the Canadian Center for Architecture (CCA) in Montreal in 2012. It comprises some 250 projects dating from 1985-2008: sketches and drawings, collages, related text documents, slides and models. This new book presents three contemporary encounters with the Abalos & Herreros archive at CCA. The architects OFFICE Kersten Geers David Van Severen, Juan Jose Castellon and SO - IL conducted research into the archive and developed specific readings of the material. The book reframes these research projects, showing archival material in its current state and reinterpreting it. The essays offer more background to the research and also give voice to Inaki Abalos and Juan Herreros themselves. Richly illustrated, the book reveals as much about the interests of a new generation of architects as about the work of Abalos & Herreros.
