This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

ABIYD Publishing Company. Paperback. Condition: New. 288 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. As Robert Burns poem, To a Mouse, reminds us, The best laid plans of mice and men Often go awry. Anyone who has ever suffered a great loss, whether relational, financial, career, health, spiritual or otherwise, knows all too well the depths of despair and the anguish that arise in what Saint John of the Cross referred to as The Dark Night of the Soul. The Dark Night of the Soul is all about pain, suffering and loss. Yet, like the phoenix, out of all of that, hopefully, we emerge more than we were when we started. On this journey to accidental enlightenment, it is common to experience the complete decimation of any pre-conceived notions, roles and identities we have grown accustomed to identifying ourselves by. During this traumatic destruction of our EGO, it can seem as though God is reducing our very existence to absolute zero. This is the Zeros Journey! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
