ReadHowYouWant.com Ltd, Canada, 2011. Paperback. Condition: New. [Large Print]. Language: English . Brand New Book ***** Print on Demand *****.SHARK! The cry that strikes fear into the hearts of beach lovers around the world. It carries a chill of terror, that death is nearby and waiting. Or injuries so shocking that the mind recoils from the thought. This book chronicles shark attacks both on Australia's fatal shores and overseas. It also records miraculous escapes - some so bizarre they defy belief, and some that display extraordinary courage in the face of extreme peril. Robert Reid interviews famous shark hunters and other adventurers who speak for the first time about their dangerous encounters with these fearsome predators. Reid investigates the phenomenon of the so-called rogue sharks, those that stalk and kill humans in numbers, in the same place, at the same time. These are gripping stories that will both fascinate and frighten, stories that will take the reader into the realm of these strange but terrible creatures. They have ruled the oceans with ruthless efficiency for more than 400 million years. They are the silent killers of the deep.
