

## The Kings Best Highway The Lost History of the Boston Post Road, the Route That Made America

Filesize: 3.77 MB

### **Reviews**

*It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.*

Scribner. Paperback. Condition: New. 336 pages. Dimensions: 8.9in. x 5.9in. x 1.0in. A VIVID AND FASCINATING LOOK AT AMERICAN HISTORY THROUGH THE PRISM OF THE COUNTRY'S MOST STORIED HIGHWAY, THE BOSTON POST ROAD. During its evolution from Indian trails to modern interstates, the Boston Post Road, a system of over-land routes between New York City and Boston, has carried not just travelers and mail but the march of American history itself. Eric Jaffe captures the progress of people and culture along the road through four centuries, from its earliest days as the king of England's best highway to the current era. Centuries before the telephone, radio, or Internet, the Boston Post Road was the primary conduit of America's prosperity and growth. News, rumor, political intrigue, financial transactions, and personal missives traveled with increasing rapidity, as did people from every walk of life. From post riders bearing the alarms of revolution, to coaches carrying George Washington on his first presidential tour, to railroads transporting soldiers to the Civil War, the Boston Post Road has been essential to the political, economic, and social development of the United States. Continuously raised, improved, rerouted, and widened for faster and heavier traffic, the road played a key role in the advent of newspapers, stagecoach travel, textiles, mass-produced bicycles and guns, commuter railroads, automobileseven Manhattan's modern grid. Many famous Americans traveled the highway, and it drew the keen attention of such diverse personages as Benjamin Franklin, Franklin D. Roosevelt, P. T. Barnum, J. P. Morgan, and Robert Moses. Eric Jaffe weaves this entertaining narrative with a historian's eye for detail and a journalist's flair for storytelling. A cast of historical figures, celebrated and unknown alike, tells the lost tale of this road. Revolutionary printer William Goddard created a postal network that united the colonies against the throne. General...
