

Potty Talk: Do Not Take Life Too Seriously . No One Is Getting Out Alive!! (Paperback)

By Judy C Wilson

iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I wrote this book for the folks in the over 50 crowd, because as we all know, we spend more quality time than we d like to in the bathroom. Sometimes, nature calls, sometimes, we just require some quiet time, due to whatever else is erupting in the rest of the house, and the bathroom is the only room that only has seating for one, and affords us a little me time to take a few breaths, count to ten or one thousand, whatever the occasion calls for. Some of these stories are from letters to my friends, some are just observation I just could not pass up, writing my two-cents worth about.
