

The Norton Recordings: Shorter Version: Recordings DVD to accompany The Norton Scores The Enjoyment of Music, Eleventh Edition

By Kristine Forney

WW Norton Co, United States, 2011. DVD-ROM. Condition: New. 11th ed.. Language: English . Brand New Book. New Interactive Listening Guides (iLGs) are designed for lecture presentation and individual study. For the Eleventh Edition, the iLGs have been revised to heighten student awareness of what's going on in the music by prompting them with questions about what they are hearing. The iLGs are available in two formats: DVD and Streaming. No installation is required. All iLGs are just a click away, driven from a menu on the DVD or from the Playlist section of each chapter on StudySpace. The DVD also provides access to mp3 files that students and faculty can drag from the disc into iTunes, iPod, iPhone, iTouch, iPad or other music player or device. New and innovative features for this new generation of iLGs include: * New, Sequential Listening Pedagogy. Each iLG offers students the optimal listening experience by guiding them through four steps to sharpen their listening skills. These task-oriented steps include: 1. Overview - this section of the iLG offers background information and contexts about each work. 2. Journal - reports to the Norton Gradebook and is accessed by students as they encounter prompts...
