He came to dinner describing every detail! When he was finished reading, he wanted to know how long he had to wait for another book about Kimba. I have never seen him so excited about a book! Since then, he has been checking out books about animals from the library and started writing a book on his own! I highly recommend this book. It has opened up a whole new world for my son!Middle Grade Books and Animal Books For KidsThis is a great book about what it means to be...
