Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Prerogative Right of Revoking Treaty Privileges to Alien-Subjects Of the nations which have not accepted the above as summed doctrine in its entirety as a recognized doctrine of International Law, the United States has been the most pronounced; for it has furnished the largest number of modern instances of the exercise of legislative and prerogative powers of variation, or abrogation, of Treaties entered into by it with foreign nations. And respecting the second, or alien-subject, or commercial, class of Treaties, its Supreme Court has said: A Treaty may also contain provisions which confer certain rights upon the citizens, or subjects of one of the nations within the territorial limits of the other, which partake of the nature of local municipal law, and which are capable of enforcement as between private parties in the courts of the country. The Constitution of the United States makes the Treaty while in force a part of the supreme law of the land, and in this respect, as far as the provisions of a Treaty can become the subject of...
