

The Guide to Compassionate Assertiveness: How to Express Your Needs and Deal with Conflict While Keeping a Kind Heart

Filesize: 7.82 MB

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Mrs. Josiane Collins)

THE GUIDE TO COMPASSIONATE ASSERTIVENESS: HOW TO EXPRESS YOUR NEEDS AND DEAL WITH CONFLICT WHILE KEEPING A KIND HEART

New Harbinger Publications. Paperback. Book Condition: new. BRAND NEW, The Guide to Compassionate Assertiveness: How to Express Your Needs and Deal with Conflict While Keeping a Kind Heart, Sherrie Vavrich, Speaking up for yourself has benefits, but it has costs, too. Many people who struggle with assertiveness are paralyzed by worries that they'll seem mean, petty, or that they will hurt the other person's feelings. Even though they want to speak up, they may keep their true needs and opinions to themselves because of these fears-eventually building stress, resentment, and alienation. The Guide to Compassionate Assertiveness does not require that readers ignore the needs of others and focus solely on their own desires. Rather, this unique blend of cognitive behavioural therapy-based assertiveness training and Buddhist psychology helps readers practice assertiveness skills while caring deeply about the welfare of others. This book helps readers develop a form of assertiveness that emphasizes collaboration, negotiation, and compromise. It focuses on speaking up for the benefit of others and speaking up for the relationship, not just one's own needs. In this way, readers learn to assert their needs in ways that match their compassionate value systems. This book is the ideal assertiveness guide for those who are afraid of rejection, have a deep concern for how others perceive them, often feel judged by others, or have difficulty expressing their feelings and needs. Readers learn to apply assertiveness skills in all domains of their lives, including in romantic relationships, as parents, at work, and in social settings.
