Embedded Pictures, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Want to Know God More? Use Your Imagination NOTE: This book was previously released with the title, Word Pictures: Knowing God Through Story and Imagination. Artist and screenwriter Brian Godawa used to revel in his ability to argue the truth of the gospel, often crushing his opponents in the process. In time, however, he began to realize that winning an argument about the logic of Christianity did not equal persuading people to follow Jesus. What was missing? Through prayer and searching the Scriptures, Godawa realized that while God cares deeply for rationality, propositional truths were not the only tools he used to reach people with his truth. In fact, Godawa discovered that story, visual images, and other kinds of art were central to God's communication style because they could go places reason could never go: into the imagination and the heart. The Bible is a Work of Art In his refreshing and challenging book, Godawa helps you break free from the spiritual suffocation of heady faith. Without negating the importance of reason and doctrine, Godawa challenges you to move from understanding the Bible literally to literarily by exploring the poetry, parables and visual images found in God's Word. Weaving historical insight, pop culture and personal narrative throughout, Godawa reveals the importance God places on imagination and creativity in the Scriptures, and provides a biblical foundation for Christians to pursue imagination, beauty, wonder and mystery in their faith. For any Christian who wants to learn how to communicate and defend the Gospel in a postmodern context, this book will help you find a path between the two extremes of intellectualized faith and anti-intellectual faith by recovering a biblical balance between intellect and imagination....
