Brand New Book ***** Print on Demand *****.Seeking the Truth about Money In the wake of the global financial crisis, are there any financial principles we can rely on? Amidst ongoing economic instability and uncertainty, can we find any solid truth about money? Are you interested in what God has to say about money? Do you seek better financial health? Or do you have enough money but feel poor in spirit? Whatever your need, God wants to help you in both the spiritual and the financial dimensions of your life. In this book, discover why those two dimensions sometimes compete and conflict and how they can better connect. It also relates stories from the lives of the author, her family and friends, and dozens of well-known Christians. It includes nuggets of practical financial wisdom gleaned from lawyers, accountants, and investment advisors, which can enrich your future discussions with your own financial advisors. Above all, this book will encourage you to more highly prioritize and value the development of rich and meaningful...
